# FUTURE SKY SAFETY FINAL CONFERENCE

## 6-7 November 2018, EUROCONTROL's Headquarters (Brussels)

## How to reach the venue

Information on how to reach EUROCONTROL's Headquarters by **car**, by **public transport**, by **train**, by **plane** and by **taxi** is available from the EUROCONTROL website: https://www.eurocontrol.int/articles/eurocontrol-headquarters-brussels.

EUROCONTROL also provides a **free shuttle service** for visitors. It is marked "EUROCONTROL" and runs from/to the Gare Centrale (at the city centre, with train and metro connections) and Square Ambiorix (near the European Commission and the Schuman Square tram, train and metro connections).

- Browse the shuttle timetable & stops
- For a map of the shuttle stops, visit this Google maps page
- For live updates on the shuttle service, follow @euroshuttle on Twitter

## Additional free shuttles for FSS guests

**EUROCONTROL is kindly organizing additional shuttles specifically for participants of the "Future Sky Safety on Final Approach" conference.**

These are direct shuttles, which go directly from one point to the other, and are provided **on both days** (see table below). The shuttles run from the Central Station, departing from **Rue de la Putterie**, across from the exit of the Brussels Central station.
